

## FINAL EXAM SCHEDULE FALL 2016

This examination schedule applies to all evening classes and to daytime classes with their first meeting of the week on Monday, Tuesday, Wednesday, or Thursday. Examination times for classes which meet only on Friday will be included in the supplementary room schedule which will be published in November.

To determine the time at which an examination is scheduled, locate in the left-hand column of the table below the first day and hour of the week at which the class meets. Opposite this in the right-hand column you will find the examination time. For example, if a class meets on Monday or Wednesday at 2:00PM, look in the left column for MW at 2:00PM. To the right, you will see that the examination will be on Friday, December 16 from 12:30 PM - 2:30 PM.

In a few instances, all sections of a course are examined at the same time, e.g., all Math 001 thru 150 on Saturday, December 17 from 9:00 AM – 11:00 AM.
